Technology Meets Nature

# Broccoli Sprout

*Brassica oleracea*

Standardized for  
isothiocyanates †

Commonly used for  
antioxidant support †

Full-spectrum +  
Standardized Extracts †

90 Vegetarian Capsules  
Dietary Supplement

Broccoli (*Brassica oleracea*) has somewhat of an unclear history that precedes ancient Greek and Roman times, mostly due to the fact this one plant species has proliferated into several different cultivars. Today, the *Brassica oleracea* species includes broccoli, cauliflower, cabbage, brussels sprouts, and kale. BotanIQ's Broccoli contains a full-spectrum broccoli sprout powder in combination with standardized extracts to provide a wide variety of isothiocyanate compounds that are responsible for the potent antioxidant power of broccoli. We've taken the best parts of technology and combined them with the best parts of nature to create a fully transparent, yet functional product that delivers results without compromising quality.

**WARNING:** THIS PRODUCT IS ONLY INTENDED TO BE CONSUMED BY HEALTHY ADULTS, 18 YEARS OF AGE OR OLDER. Do not use this product if you are pregnant or nursing. Do not use this product if you have any serious medical conditions. Before using this product, consult with a medical professional, including but not limited to, if you suspect you have or have been treated for, diagnosed with or have a family history of any medical condition, or if you are using any prescription or over-the-counter medication. Immediately discontinue use 2 weeks prior to surgery or if experiencing any unusual symptoms.

**KEEP OUT OF REACH OF CHILDREN.**
